

REMARKS

Upon review of the amendment filed on February 21, 2006, it was identified that a clarifying recitation that was made to each of the independent claims 38, 58, and 81 was incorrectly placed in claim 38.

This amendment corrects the improper placement of the clarifying phrase "defining user preferences" so that claim 38 recites "at least one identity database containing user-specific data defining user preferences".

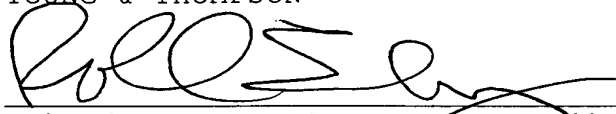

This amendment brings claim 38 into conformance with the amendments made to corresponding system claim 58 and server claim 81. As this was an inadvertent typographical error, entry of the supplemental amendment is earnestly solicited.

Applicant believes that the present application is in condition for allowance for the reasons stated in the February 21, 2006 amendment. Accordingly, allowance of all the claims is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
